ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited or limited the congregation of groups of people.

Sunnyvale Christian School has put in place preventative measures to reduce the spread of COVID-19; however, Sunnyvale Christian School cannot guarantee that you or your child(ren) will not become infected with COVID-19. I understand that the risk of becoming exposed to or infected by COVID-19 at Sunnyvale Christian School or School-related activities may result from the actions, omissions, or negligence of myself and others, including, but not limited to, School employees, volunteers, and School-related activity participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at Sunnyvale Christian School or participation in School-related activities ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless Crosswalk Community Church DBA Sunnyvale Christian School, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Sunnyvale Christian School, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any School-related activity.
